

RMHC 2010 APMEA Conference

THE MARKET PLACE

“an opportunity for Houses, Family Rooms, Family Retreats and The Learning Program to showcase ideas and achievements”

The 2010 RMHC APMEA Conference is being hosted in Hobart, Tasmania from 19th to 22nd October. We are looking forward to welcoming you to the beautiful harbour city of Hobart for what we know will be an inspiring and memorable conference.

As has been the tradition at previous conferences, we will again offer an opportunity to showcase new ideas, initiatives and achievements from your program to delegates through the forum of a Market Place, to be held on site at of the Hotel Grand Chancellor.

This year we plan to do it a little differently by staging Market Place on one day only at a specific time. We have allocated a **two hour lunch break on Thursday 21st**, the second day of the conference, with the idea that this is dedicated time for lunch and a visit to the Market Place at the same time. That way, your efforts can be concentrated on just the one time slot without the need to staff your booth during every break.

We plan to provide an incentive for delegates to visit each booth and we hope to include other service providers in the space as well. The conference floor will provide ample space to set up your display and for delegates to move around. You will have time to set up either the night before or early on Thursday morning in order to be ready in time for lunch at 1.00pm.

We will provide a clothed trestle table 750mm wide by 2.4 metres long. You could even decide to share this space with another House, Family Room or Family Retreat.

I would be pleased if you could indicate your intention to participate along with any other requirements you may have on the attached form and email it back to me by **Monday, 21st June 2010** at conference@conventionwise.com.au

Thank you, and again we will be looking forward to welcoming you to Hobart.

Kind Regards

Joanne Folder
